- Monday: Art
- Tuesday: PE
- Wednesday: Guidance
- Thursday: Enrichment
- Friday: Engineering

Note from Mrs. Bosio

Books for Next Year

- I'm currently trying to accumulate books for emergent readers (K-2), if you have any at home that you don't use very much that you would like to donate to my class for next year, I would really appreciate it! Thank you so much! ☺

Lunch Schedule Change

Due to EOGs, on June 25-26, our lunch time will be: 12:40-1:05.

Upcoming Events

- *Monday 6/25: Reading EOG
- *Tuesday 6/26: Math EOG
- *Tuesday 6/26: Meet the Teacher (T2)
- *Wednesday 6/27: End of Year Class awards (12:00-12:30)
- *Friday 6/29: Report Cards Go Home

This Week's Focus

Reading-

- In reading this week we prepared for taking EOGs by talking about test taking strategies and ways to prepare mentally for the test.
- We reviewed reading concepts learned throughout the year by doing games and independent practice.

Writing-

- In writing, we continued our "I Survived Fourth Grade" writing partner project. Students finished the partner portion of the project where they analyzed the book they read and identified important parts.
- Next week we will write independently about what we have "survived" in 4th grade.

Math-

- In math this week, we reviewed all the standards from the year that we have covered in partners, independent practice, with games, and group work.

Social Studies —

- Mr. Gentile has been working on a "North Carolina Road Trip" project with our class during social studies to learn about important landmarks.
